### **Comments.**

Our extremely popular *Hunter's Red* is a unique, non-traditional red wine. We blend three red grapes with one **white** grape and forgo oak aging to produce a smooth, easy red wine that is hearty but low in tannins. Corot Noir is a French-American grape with cherry notes, and the DeChaunac grape adds a hint of raisins or plums.

Great on its own at room temperature or lightly chilled, *Hunter's Red* is particularly delicious with barbecued meats and sweet/sour dishes. *Hunter's Red* also appeals to "white wine drinkers". Enjoy!
