- 88 Rating, *Wine & Spirits Magazine (August 2009)*

Comments by Art Hunt.

The French term Pinot Gris refers to the same grape that Italians call Pinot Grigio. Pinot Grigio wines are often lighter, fruitier and occasionally sweeter than their French counterparts. We produce our Pinot Gris in the more austere French style, to emphasize its wonderful mineral and floral aromas and flavors. Savor a glass on its own, with smoked salmon, scallops, shrimp, mild cheeses, and light poultry and pasta dishes. Cheers!
