

Foxy Lady Wines

Vinification. Hunt Country Vineyards
Winemaking. Jonathan Hunt, Brian Barry
Aging. Stainless steel only
Appellation. Finger Lakes

Fun, lively and delightfully sweet, *Foxy Lady* wines burst with the vibrant fresh-picked flavor of native American grapes, grown in the heart of the celebrated Finger Lakes wine region. Serve nicely chilled on their own, or blended with equal parts of fruit sherbet and ice to make a delicious "Foxy Lady Slushy". *Foxy Lady Red* also makes a relaxing "hot mulled wine" when mixed with mulling spices (available from our Wine Shop) and served warm!
